

THE REVENUE OPERATING SYSTEM

**A SYSTEM FOR GENERATING SUSTAINABLE
AND SCALABLE GROWTH AND THE 100
TECHNOLOGIES THAT WILL ENABLE IT**

TABLE OF CONTENTS

I. ABSTRACT: THE EMERGENCE OF A REVENUE OPERATING SYSTEM.....	4
II. ABOUT THIS RESEARCH.....	6
III. EXECUTIVE SUMMARY: ITS TIME FOR A SYSTEM FOR SCALABLE AND SUSTAINABLE GROWTH.....	7
IV. THE FORCES TRANSFORMING THE COMMERCIAL MODEL.....	14
1. The growing cost, complexity and sophistication of the sales and marketing technology ecosystem.....	15
2. The broad adoption of “4D” digital, data-driven, distributed and dynamic selling networks.....	17
3. The expanded use of digital selling channels, enablement technologies and devices.....	19
4. Customer desire for compelling, self-directed and friction free digital experiences.....	21
5. A revolution in advanced analytics and AI in selling.....	23
V. GROWING A BUSINESS HAS BECOME A CAPITAL INTENSIVE, DATA DRIVEN, TEAM SPORT	24
1. The growing importance of commercial assets in growth.....	24
2. The allocation of growth operating budgets has shifted to owned digital selling channels.....	27
3. Leaders need a new system for managing and maximizing the return on growth investment.....	30
VI. REVENUE OPERATIONS: A SYSTEM FOR SCALABLE AND SUSTAINABLE GROWTH.....	33
VII. THE NINE BUILDING BLOCKS OF THE REVENUE OPERATING SYSTEM.....	37
1. Revenue Enablement: How to better leverage CRM, content and learning to support selling.....	42
2. Channel Optimization: Optimizing the performance and experience of your selling channels.....	45
3. Customer Facing Technology: Integrating the owned digital selling infrastructure.....	48
4. Revenue Intelligence: Leadership insights to measure, manage and optimize the commercial process.....	51
5. Engagement Data Hub: Leveraging advanced analytics to connect growth assets to value.....	55
6. Customer Intelligence: Using customer data to inform decisions, actions, and conversations.....	58
7. Talent Development: How to attract, develop and retain commercial talent	60
8. Resource Optimization: Better allocating people, time, and effort against opportunities.....	62
9. Revenue Enhancement: Increase revenue yield with better packaging, pricing, and personalizing offers.....	64
VIII. SMART ACTIONS LEADERS ARE TAKING TO CREATE THEIR OWN REVENUE OPERATING SYSTEM.....	67
IX. THE 100 TECHNOLOGIES THAT ARE ENABLING THE REVENUE OPERATING SYSTEM.....	72
IX. CITATIONS.....	87

INDEX: CHARTS AND EXHIBITS

Exhibit 1: The Forces Transforming The Commercial Model.....	8
Exhibit 2: The Evolution Of Marketing Budget Allocation (1980 To 2022)	9
Exhibit 3: The Revenue Operating System.....	11
Exhibit 4: The Modern Channel Portfolio As Of 2022.....	20
Exhibit 5: The Allocation Of Marketing Budgets (2022).....	28
Exhibit 6: Mapping The Evolution Of The Marketing Budget (1980 To 2022)	29
Exhibit 5: The Allocation Of Marketing Budgets (2022)	28
Exhibit 7: The Effectiveness Of Technology Supporting The Sales	31
Exhibit 8 – The Revenue	34
Exhibit 9: The Nine Building Blocks Of The Revenue Operating	38
Exhibit 10: The 36 Components Of The Revenue Operating	41
Exhibit 11: Three Ways Technology Can Enhance Selling Channels.....	46
Exhibit 12: The Top Opportunities To Better Manage Sales Teams.....	51
Exhibit 13: Current Levels Of Remote Sales Team Effectiveness.....	60
Exhibit 14: The Top Ways Customer Behavior Is Impacting Remote Selling	66
Exhibit 15: Steps Leaders Are Taking To Implement Revenue Operations.....	67
Exhibit 16: Seven Smart Actions Business Leader Are Taking To Connect Their Commercial Technology Portfolio Into A Revenue Operating System	70
Exhibit 17: The Capabilities Of The 100 Technologies Enabling The Revenue Operating	73
Exhibit 18: Revenue Operations Unicorns Valued At Over \$1 Billion.....	74
Exhibit 19: The Composite Value Of The Revenue Operations 100 Index.....	75
Exhibit 20: Mergers And Acquisitions In The Revenue Operations 100 In 2021.....	78
Exhibit 21: 100 Technologies That Are Enabling The Revenue Operating	79
